Alexander Weaver

Reno, Nevada photographerrenoite@gmail.com aweaver2007 GoldenOrbWeaver

Education

University of Nevada, Reno August 2019 - May 2026
Dual enrollment
Selected coursework: Differential Equations., Linear Algebra, Partial Differential Equations, Mathematical Modeling, Deterministic Operations Research, Classical Mechanics, Organic Chemistry I.

Davidson Academy of Nevada August 2022 - May 2026
Activities: Science Bowl (President), Environmental Club (President), and Science Olympiad (Student Leader).

Experience

Research

Research Assistant, Nevada Geodetic Laboratory @ University of Nevada, Reno December 2025 - Present
Creating error monitoring system for Nevada Geodetic Laboratory. Working on project using GPS data to determine gravitational collapse and post-seismic relaxation in Great Basin.

Research Assistant, Microbeam Lab @ University of Nevada, Reno June 2024 - October 2024
Consolidated and analyzed past EPMA data to determine how peak wavelength of elements varies by mineral in order to improve accuracy of geochemical analysis.

Volunteering

United States Earth Science Organization, Test Writer October 2025 - Present
Writing for 2026 open and camp exams.

United States Earth Science Organization, Counselor May 2025 - July 2025
Helped plan Leadership in Earth and Environmental Sciences program, delivered lecture on connecting research and policy, led activities, and mentored students.

Other

Teacher Assistant, Davidson Academy of Nevada August 2022 - Present
Graded assignments, answered student questions, and assisted in leading class in physics (2022-2023, 2025-2026) and Chinese (2024-2025) classes.

Honors and Awards

International Earth Science Olympiad Gold Medals August 2025
Earned two gold medals (Top 10%) for individual tests and team field investigation. Placed 5th overall.

National Science Bowl Top 8 Team 2025, 2026
Captain and earth science, astronomy, and physics specialist. Team also won Berkeley Science Bowl and placed in top 8 at MIT and Stanford tournaments.

North American Computational Linguistics Olympiad Invitational Qualifier February 2024, 2025, 2026
Placed in top 14.5 % on open round to qualify. Scored 58th out of 1528 nationally on open round in 2024.

National Merit Semifinalist September 2025

Standardized Tests SAT: 1590, ACT: 36

Technologies

Languages: Python, LaTeX
Libraries: NumPy, Pandas, MatPlotLib
